

Here are our weekly payment rates which consist of your fee and money for meeting the foster child's needs:

Child's age	level 1	level 2	level 3	level 4
0-4	150.00	210.00	250.00	360.00
5-10	170.00	230.00	270.00	410.00
11-15	210.00	260.00	300.00	430.00
16+	250.00	310.00	330.00	430.00

These payments are based on the skills and experience of the foster carers, therefore, during your annual review you may be moved up a level if you have taken part in multiple training courses and/or perhaps you are able to offer a wider choice of placements.

Additionally, there are also allowances available alongside the above payment to cover expenses such as mileage, holidays, birthdays and Christmases.
