

West Northants Job Description

Job Title: Transformation Project Manager delivery

POSCODE: NN1 1ED

Grade: M

Overall purpose of the job

To define, develop and deliver the corporate projects that are large scale and/or complex and/or have a high level of risk attached. To be part of an in-house project management change capability, providing organisational learning, capability, resilience and Value for Money (VfM). To deliver through the successful implementation of defined corporate (cross council) projects, the Council's corporate outcomes.

Provide senior leadership and process redesign expertise. Accountable for the planning, coordination, facilitation and monitoring of transformation projects; and for developing capacity and capability to embed service improvement tools and techniques supporting the continuous modernisation and redesign of service across West Northants Council.

Taking responsibility for the day to day running and delivery of the projects, resulting in new ways of working and identified business benefits being realised. Manage a team of Business Analysts in applying highly developed specialist knowledge and experience of best practice service improvement tools and techniques; performance management; project planning and the development of training programmes; and the building of collaborative relationships in which to challenge, influence and empower managers and staff to enable them to produce more effective, innovative and high quality service delivery and partnerships

Main accountabilities

Main accountabilities	
1.	Manage Business Analysts working across a range of service transformation projects. Allocating specialist resource to where needed across projects. Sourcing additional Business Analyst resource where project funding has been identified and approved
2.	Ensuring performance reporting and tracking of benefits are reported and monitored along with risks, issues, assumptions and dependencies to OMT/CMT. Advise Project Boards, resolving issues and recommend corrective action as appropriate so that projects are sustained and implemented, working within the agreed decision making process/project governance arrangements
3.	Support the Business Transformation Delivery Manager in the maintenance and review of the Project Management SORP, templates, governance and reporting frameworks
4.	Provide change leadership and specialist knowledge, skills and experience in process and systems improvement across the Council. Support the restructuring of services, lead the introduction of new Council policies and procedures for major areas of work delivering and supporting further service improvement

5.	Coordinate, lead and take accountability for the delivery of project/work streams; apply proven project/programme management methodologies, tools and techniques to deliver rapid, demonstrable and sustainable improvements; plan and manage programme implementation activity and budgets; lead and motivate project teams providing practical consultancy support as needed to facilitate project delivery; monitor and adjust plans as required to ensure that projects meet agreed timescales and budgets and that project objectives are achieved
6.	Actively engage with all internal and external stakeholders, developing and maintaining effective and strategic links; influence, challenge and empower managers and staff to change and improve their services
7.	Evaluate highly complex, sensitive or contentious project information; use project monitoring and evaluation data to report on project progress to stakeholder representatives at all levels both within and outside the organisation, and to influence decisions on project direction
8.	Prepare project documentation, using the Council's Project Management Framework and toolkit, setting out the project objectives, plan, costs and performance measures to ensure that work is carried out in a timely and effective manner and to meet budgets and deadlines where applicable. Where appropriate, prepare invitations to tender and manage the tender process through to successful completion
9.	Build the skills and capability of service and management teams through the design and implementation of service improvement workshops, learning sets, master-classes and seminars. Develop and maintain training materials and knowledge archive as Council resource and deliver Council wide training
10.	Develop and promote greater and wider understanding of the concepts, methodologies, skills and techniques involved in service improvement and organisational change; produce articles for newsletters, journals and web publications; produce data and documentation for briefings, workshops and presentations; review and produce best practice guides; represent the Council at internal and external service improvement forums
11.	Work with stakeholders to identify potential conflict between the interests of different individuals, cross divisional staff groups or Council departments. Provide facilitation expertise to encourage multidisciplinary team collaborative working to overcome resistance to change and to reduce conflict
12.	To demonstrate awareness/understanding of equal opportunities and other people's behavioural, physical, social and welfare needs.

Safeguarding commitment *(Include for roles involving work with children/vulnerable adults)*

We are committed to safeguarding and promoting the welfare of children and young people/vulnerable adults. We require you to understand and demonstrate this commitment.
