12 month Fixed Term Contract or Secondment Opportunity

Post title:	Trainer Advisor
Salary grade	Grade J £30,332 - £33,568
Hours:	Full Time
Location:	Northamptonshire Based at One Angel Square but travel across the County for Learning and Development activities will be expected.
Reports to:	Senior Learning and Development Advisor
Service area:	Learning & Development

An exciting opportunity to join the Learning and Development Adult team has arisen to support with our growing programme of learning and development activities across all teams in Northamptonshire North and West Adult Social Care.

A good understanding and working knowledge of Adult Social Care is essential as the role will work closely with colleagues to ensure that all aspects of learning and development activities are supplied and delivered to a high standard.

We are looking for an individual who is suitably experienced and qualified to deliver training in subjects such as, and in particular:

- Manual Handling (this is essential)
- Dementia
- Learning Disabilities eg. Autism, Aspergers
- Direct Service Care Subjects such as; Care planning, End of Life Care, Falls Prevention, Health and Safety, Dignity and Care, PPE and Hand Hygiene, Managing crucial situations and conversations
- Care Certificate Assessing Support and Inductions

To also ensure a quality service is delivered to customers, NNC and WNC policies and values are complied with and reporting deadlines are met.

In return you will receive regular supervision and learning and development activities to support with your own Continued professional development.

At North Northamptonshire Council, we are committed to the importance of promoting equal opportunities, valuing diversity and creating an inclusive working environment for all our employees.

Learning and Development is currently hosted by North Northants Council, and provides a service to both North and West Councils
